Item 1.01. Entry into a Material Definitive Agreement.

On November 19, 2018, Great Ajax Corp. (the “Company”) completed the public offer and sale of \$15,850,000 aggregate principal amount of its 7.25% Convertible Senior Notes due 2024 (the “Notes”) pursuant to a reopening of its existing series of such Notes. The net proceeds to the Company from the sale of the Notes are approximately \$15.2 million (after deduction of underwriting discounts and commissions but before deduction of expenses). The Company will contribute the net proceeds to Great Ajax Operating Partnership L.P. (the “Operating Partnership”) to acquire additional mortgage loans and mortgage-related assets consistent with the Company’s investment strategy and for general corporate purposes.

In connection with the offer and sale of the Notes, the Company entered into an underwriting agreement, dated November 15, 2018 (the “Underwriting Agreement”), by and among the Company, the Operating Partnership, Thetis Asset Management LLC and Raymond James & Associates, Inc. and JMP Securities LLC (the “Representatives”), on behalf of each of the underwriters listed therein (collectively, the “Underwriters”). The Underwriting Agreement contains customary representations and warranties of the parties and indemnification and contribution provisions whereby the Company and the Operating Partnership, on the one hand, and the Underwriters, on the other hand, have agreed to indemnify each other against certain liabilities.

The Company issued the Notes under a base indenture, dated April 19, 2017, as supplemented by the first supplemental indenture, dated April 25, 2017 (the “Indenture”), between the Company and Wilmington Savings Fund Society, FSB, as trustee (the “Trustee”).

The Notes bear interest at a rate of 7.25% per annum, payable quarterly in arrears on January 15, April 15, July 15 and October 15 of each year, beginning on January 15, 2019. The Notes will mature on April 30, 2024, unless earlier converted, redeemed or repurchased. During certain periods and subject to certain conditions (as described in the Indenture) the Notes will be convertible by the holders into shares of the Company’s common stock. The Notes will have an initial conversion rate of 1.6438 shares of the Company’s common stock per \$25.00 principal amount of the notes, subject to adjustment in certain circumstances as set forth in the Indenture. Upon conversion, holders will receive, at the Company’s discretion, cash, shares of the Company’s common stock or a combination thereof.

Prior to April 30, 2022, the Notes will not be redeemable. On or after April 30, 2022, holders of the Notes may require the Company to repurchase the Notes under certain circumstances, and the Company may redeem all or any portion of the Notes, at its option, subject to certain conditions, at a redemption price payable in cash equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the redemption date.

The Indenture contains customary terms and covenants, including that upon certain events of default occurring and continuing, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Notes then outstanding may declare the entire principal amount of all the Notes, and the interest accrued on such Notes, if any, to be immediately due and payable. In the case of certain events of bankruptcy, insolvency or reorganization relating to the Company or a principal subsidiary, the principal amount of the Notes together with any accrued and unpaid interest thereon will automatically be and become immediately due and payable.

The foregoing description of the Indenture and the Notes does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture and the form of Note, copies of which are filed as Exhibits 4.1 and 4.2, respectively, to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on April 25, 2017, and are incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above with respect to the Notes and the Indenture is hereby incorporated by reference into this Item 2.03 insofar as it relates to the creation of a direct financial obligation.

Item 8.01 Other Events.

On November 14, 2018, the Company issued a press release announcing the public offering of the Notes. On November 15, 2018, the Company issued a press release announcing the pricing of the Notes. The Notes shall be convertible into shares of common stock, \$0.01 par value per share, of the Company (the “**Common Stock**”), per \$25.00 principal amount of the Notes, as described in the Prospectus, defined below. The shares of Common Stock into which the Notes may be converted are referred to herein as the “**Conversion Shares**.” The Notes and the Conversion Shares hereinafter are referred to collectively as the “**Securities**.” The Notes will be issued pursuant to an indenture (the “**Base Indenture**”) dated as of April 19, 2017 between the Company and Wilmington Savings Fund, FSB, as trustee (the “**Trustee**”), as supplemented by a first supplemental indenture (the “**First Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”) dated April 25, 2017 between the Company and the Trustee.

The Company has previously issued \$108,000,000 aggregate principal amount of its 7.25% Convertible Senior Notes due 2024 (the “**Existing Notes**”) under the Indenture. The Securities constitute “Additional Notes” (within the meaning of Section 3.02 of the First Supplemental Indenture) under the Indenture. Except as disclosed in the Registration Statement, the Prospectus and the Disclosure Package (each as defined below), the Securities will have terms identical to the Existing Notes and will be treated as a single series of debt securities with the Existing Notes for all purposes under the Indenture.

The Company understands that the Underwriters propose to make a public offering of the Notes as soon as the Underwriters deem advisable after this Underwriting Agreement (the “**Agreement**”) has been executed and delivered.

The Company has filed with the Securities and Exchange Commission (the “**Commission**”), a registration statement on Form S-3 (No. 333-219923) including a related base prospectus, for the registration of the Securities under the Securities Act of 1933, as amended, and the rules and regulations thereunder (the “**Securities Act**”). The registration statement has been declared effective under the Securities Act by the Commission. If the sale to the Underwriters of the Notes, as contemplated by this Agreement, is not carried out by the Underwriters for any reason permitted under this Agreement or if such sale is not carried out because the Company shall be unable to comply in all material respects with any of the terms of this Agreement, the Company shall not be under any obligation or liability under this Agreement (except to the extent provided in Sections 6 and 10 hereof) and the Underwriters shall be under no obligation or liability to the Company under this Agreement (except to the extent provided in Section 8 hereof) or to one another hereunder.

9. **Increase in Underwriters' Commitments.**

If any Underwriter shall default at the Closing Time in its obligation to take up and pay for the Notes to be purchased by it under this Agreement on such date, the Representatives shall have the right, within 36 hours after such default, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Notes which such Underwriter shall have agreed but failed to take up and pay for (the "**Defaulted Notes**"). Absent the completion of such arrangements within such 36-hour period, (i) if the aggregate principal amount of Defaulted Notes does not exceed 10% of the aggregate principal amount of the Notes to be purchased on such date, each non-defaulting Underwriter shall take up and pay for (in addition to the principal amount of the Notes which it is otherwise obligated to purchase on such date pursuant to this Agreement) the portion of the aggregate principal amount of the Notes agreed to be purchased by the defaulting Underwriter on such date in the proportion that its underwriting obligations hereunder bears to the underwriting obligations of all non-defaulting Underwriters; and (ii) if the aggregate principal amount of Defaulted Notes exceeds 10% of such total, the Representatives may terminate this Agreement by notice to the Company, without liability of any party to any other party except that the provisions of Sections 6 and 10 hereof shall at all times be effective and shall survive such termination.

Without relieving any defaulting Underwriter from its obligations hereunder, the Company agrees with the non-defaulting Underwriters that it will not sell any Notes hereunder on such date unless all of the Notes to be purchased on such date are purchased on such date by the Underwriters (or by substituted Underwriters selected by the Representatives with the approval of the Company or selected by the Company with the approval of the Representatives).

If a new Underwriter or Underwriters are substituted for a defaulting Underwriter in accordance with the foregoing provision, the Company or the non-defaulting Underwriters shall have the right to postpone the Closing Time for a period not exceeding five business days in order that any necessary changes in the Registration Statement and Prospectus and other documents may be effected.

The term “**Underwriter**” as used in this Agreement shall refer to and include any Underwriter substituted under this Section 9 with the same effect as if such substituted Underwriter had originally been named in this Agreement.

10. **Indemnity and Contribution by the Company and the Underwriters.**

(a) The Company and the Operating Partnership, jointly and severally, agree to indemnify, defend and hold harmless each Underwriter and any person who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, and the respective affiliates, directors, officers, employees and agents of each Underwriter from and against any loss, expense, liability, damage or claim (including the reasonable cost of investigation) which, jointly or severally, any such indemnified party may incur arising under the Securities Act, the Exchange Act or otherwise, insofar as such loss, expense, liability, damage or claim arises out of or is based upon (A) any breach of any representation, warranty or covenant of the Company or the Operating Partnership contained herein, (B) an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment), any Issuer Free Writing Prospectus that the Company has filed or was required to file with the Commission or is otherwise required retain, or the Prospectus (the term Prospectus for the purpose of this Section 10 being deemed to include any Preliminary Prospectus, the Prospectus and the Prospectus as amended or supplemented by the Company), (C) any application or other document, or any amendment or supplement thereto, executed by the Company or the Operating Partnership or based upon written information furnished by or on behalf of the Company filed in any jurisdiction (domestic or foreign) in order to qualify the Securities under the securities or blue sky laws thereof or filed with the Commission or any securities association or securities exchange (each an “**Application**”), (D) an omission or alleged omission to state a material fact required to be stated in any such Registration Statement, or necessary to make the statements made therein not misleading, (E) an omission or alleged omission from any such Issuer Free Writing Prospectus, Prospectus or any Application of a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading, (F) an untrue statement or alleged untrue statement of a material fact contained in any audio or visual materials used in connection with the marketing of the Securities, including, without limitation, slides, videos, films and tape recordings; except, in each case of (B), (D) and (E) above only, insofar as any such loss, expense, liability, damage or claim arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission of a material fact contained in and in conformity with the statements set forth in the first paragraph under the heading “Underwriting–Commissions and Discounts,” the information in the first paragraph under the heading “Underwriting–Stabilization” and the information under the heading “Underwriting–Electronic Distribution” in the Preliminary Prospectus, the Disclosure Package and the Prospectus (to the extent such statements relate to the Underwriters). The indemnity agreement set forth in this Section 10(a) shall be in addition to any liability which the Company or the Operating Partnership may otherwise have.

If any action is brought against an Underwriter or controlling person in respect of which indemnity may be sought against the Company or the Operating Partnership pursuant to subsection (a) above, such Underwriter shall promptly notify the Company in writing of the institution of such action, and the Company shall assume the defense of such action, including the employment of counsel and payment of expenses; provided, however, that any failure or delay to so notify the Company will not relieve the Company of any obligation hereunder, except to the extent that its ability to defend is actually impaired by such failure or delay. Such Underwriter or controlling person shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of such Underwriter or such controlling person unless the employment of such counsel shall have been authorized in writing by the Company in connection with the defense of such action, or the Company shall not have employed counsel to have charge of the defense of such action within a reasonable time or such indemnified party or parties shall have reasonably concluded (based on the advice of counsel) that there may be defenses available to it or them which are different from or additional to those available to the Company, (in which case neither the Company shall have the right to direct the defense of such action on behalf of the indemnified party or parties or the named parties in any such proceeding (including any impleaded parties included by the Company and the indemnified person)) or representation by both parties by the same counsel would be inappropriate due to a conflict or potential differing interests between such parties, in any of which events such fees and expenses shall be borne by the Company and paid as incurred (it being understood, however, that the Company shall be liable for the expenses of more than one separate firm of attorneys for the Underwriters or controlling persons in any one action or series of related actions in the same jurisdiction (other than local counsel in any such jurisdiction) representing the indemnified parties who are parties to such action). Anything in this paragraph to the contrary notwithstanding, the Company shall not be liable for any settlement of any such claim or action effected without its consent.

(b) Each Underwriter agrees, severally and not jointly, to indemnify, defend and hold harmless the Company, the Company's directors, the Company's officers that signed the Registration Statement, any person who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, and the Operating Partnership from and against any loss, expense, liability, damage or claim (including the reasonable cost of investigation) which the Company, the Operating Partnership or any such person may incur under the Securities Act, the Exchange Act or otherwise, insofar as such loss, expense, liability, damage or claim arises out of or is based upon (A) an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment), any Issuer Free Writing Prospectus that the Company has filed or was required to file with the Commission, or the Prospectus, or any Application, (B) an omission or alleged omission to state a material fact required to be stated in any such Registration Statement, or necessary to make the statements made therein not misleading, or (C) an omission or alleged omission from any such Issuer Free Writing Prospectus, Prospectus or any Application of a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading, but in each case only insofar as such untrue statement or alleged untrue statement or omission or alleged omission was made in such Registration Statement, Issuer Free Writing Prospectus, Prospectus or Application in reliance upon and in conformity with information furnished in writing by the Underwriters through the Representatives to the Company or the Operating Partnership expressly for use therein. The statements set forth in the first paragraph under the heading "Underwriting—Commissions and Discounts," the information in the first paragraph under the heading "Underwriting—Short Positions" and the information under the heading "Underwriting—Electronic Distribution" in the Preliminary Prospectus, the Disclosure Package and the Prospectus (to the extent such statements relate to the Underwriters) constitute the only information furnished by or on behalf of any Underwriter through the Representatives to the Company or the Operating Partnership for purposes of this Agreement.

If any action is brought against the Company, the Operating Partnership, the Manager or any such person in respect of which indemnity may be sought against any Underwriter pursuant to the foregoing paragraph, the Company, the Operating Partnership, the Manager or such person shall promptly notify the Representatives in writing of the institution of such action and the Representatives, on behalf of the Underwriters, shall assume the defense of such action, including the employment of counsel and payment of expenses. The Company, the Operating Partnership, the Manager or such person shall have the right to employ its own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of the Company, the Operating Partnership, the Manager or such person unless the employment of such counsel shall have been authorized in writing by the Representatives in connection with the defense of such action or the Representatives shall not have employed counsel to have charge of the defense of such action within a reasonable time or such indemnified party or parties shall have reasonably concluded (based on the advice of counsel) that there may be defenses available to it or them which are different from or additional to those available to the Underwriters (in which case the Representatives shall not have the right to direct the defense of such action on behalf of the indemnified party or parties), in any of which events such fees and expenses shall be borne by such Underwriter and paid as incurred (it being understood, however, that the Underwriters shall not be liable for the expenses of more than one separate firm of attorneys in any one action or series of related actions in the same jurisdiction (other than local counsel in any such jurisdiction) representing the indemnified parties who are parties to such action). Anything in this paragraph to the contrary notwithstanding, no Underwriter shall be liable for any settlement of any such claim or action effected without the written consent of the Representatives.

(c) If the indemnification provided for in this Section 10 is unavailable or insufficient to hold harmless an indemnified party under subsections (a), (b) and (c) of this Section 10 in respect of any losses, expenses, liabilities, damages or claims referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, expenses, liabilities, damages or claims (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, the Operating Partnership and the Underwriters from the offering of the Notes or (ii) if (but only if) the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and of the Underwriters in connection with the statements or omissions which resulted in such losses, expenses, liabilities, damages or claims, as well as any other relevant equitable considerations. The relative benefits received by the Company, the Operating Partnership and the Underwriters shall be deemed to be in the same proportion as the total proceeds from the offering (net of underwriting discounts and commissions but before deducting expenses) received by the Company or the Operating Partnership bear to the underwriting discounts and commissions received by the Underwriters. The relative fault of the Company, the Operating Partnership and of the Underwriters shall be determined by reference to, among other things, whether the untrue statement or alleged untrue statement of a material fact or omission or alleged omission relates to information supplied by the Company, the Operating Partnership or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages and liabilities referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any claim or action.

(d) The Company, the Operating Partnership and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 10 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in subsection (d)(i) and, if applicable (ii), above.

Notwithstanding the provisions of this Section 10, no Underwriter shall be required to contribute any amount in excess of the underwriting discounts and commissions applicable to the Notes purchased by such Underwriter pursuant to this Agreement. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 10 are several in proportion to their respective underwriting commitments and not joint.

11. Survival.

The provisions of this Section 11, the indemnity and contribution agreements contained in Section 10 and the covenants, warranties and representations of the Company, the Operating Partnership and the Manager contained in Sections 3, 4 and 5 of this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of any Underwriter, or any person who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, and the respective directors, officers, employees and agents of each Underwriter or by or on behalf of the Company, the Operating Partnership and the Manager and any of their directors and officers or any person who controls the Company, the Operating Partnership and the Manager within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, and shall survive any termination of this Agreement or the sale and delivery of the Securities. The Company, the Operating Partnership and the Manager and each Underwriter agree promptly to notify the others of the commencement of any litigation or proceeding against it and, in the case of the Company, against any of the Company's officers and directors, in connection with the sale and delivery of the Securities, or in connection with the Registration Statement or Prospectus.

12. **Duties.**

Nothing in this Agreement shall be deemed to create a partnership, joint venture or agency relationship between the parties. The Underwriters undertake to perform such duties and obligations only as expressly set forth herein. Such duties and obligations of the Underwriters with respect to the Securities shall be determined solely by the express provisions of this Agreement, and the Underwriters shall not be liable except for the performance of such duties and obligations with respect to the Securities as are specifically set forth in this Agreement. The Company acknowledges and agrees that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the public offering price of the Notes and any related discounts and commissions, is an arm's-length commercial transaction between the Company and the several Underwriters and the Company is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with each transaction contemplated hereby and the process leading to such transaction each Underwriter is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary of the Company, the Operating Partnership or the Manager and their respective affiliates, stockholders, creditors or employees or any other party; (iii) no Underwriter has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company, the Operating Partnership or the Manager with respect to any of the transactions contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company, the Operating Partnership or the Manager on other matters); and (iv) the several Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company, the Operating Partnership or the Manager and that the several Underwriters have no obligation to disclose any of such interests. The Company, the Operating Partnership and the Manager acknowledge that the Underwriters disclaim any implied duties (including any fiduciary duty), covenants or obligations arising from the Underwriters' performance of the duties and obligations expressly set forth herein. The Company, the Operating Partnership and the Manager hereby waives and releases, to the fullest extent permitted by law, any claims that the Company, the Operating Partnership or the Manager may have against the several Underwriters with respect to any breach or alleged breach of agency or fiduciary duty in connection with the offering of the Securities pursuant to this Agreement.

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES. The section headings in this Agreement have been inserted as a matter of convenience of reference and are not a part of this Agreement.

15. **Parties at Interest.**

The Agreement herein set forth has been and is made solely for the benefit of the Underwriters, the Company, the Operating Partnership, the Manager and the controlling persons, directors and officers referred to in Sections 10 and 11 hereof, and their respective successors, assigns, executors and administrators. No other person, partnership, association or corporation (including a purchaser, as such purchaser, from any of the Underwriters) shall acquire or have any right under or by virtue of this Agreement.

Re: **Proposed Public Offering of Convertible Senior Notes by Great Ajax Corp.**

Dear Sirs:

The undersigned, an officer or director of Great Ajax Corp., a Maryland corporation (the “**Company**”), understands that Raymond James & Associates, Inc. and JMP Securities LLC (the “**Representatives**”) propose to enter into an Underwriting Agreement (the “**Underwriting Agreement**”) with the Company providing for the public offering (the “**Offering**”) of the Company’s 7.25% convertible senior notes due 2024 (the “**Notes**”), which are convertible into shares of the Company’s common stock, par value \$0.01 per share (the “**Common Stock**”). In recognition of the benefit that such an offering will confer upon the undersigned, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned agrees with each underwriter to be named in the Underwriting Agreement that, during the period beginning on the date hereof and ending on the date that is 60 days from the date of the Underwriting Agreement, subject to extensions as discussed below (the “**Lockup Period**”), the undersigned will not, without the prior written consent of the Representatives, directly or indirectly, (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant for the sale of, or otherwise dispose of or transfer any shares of the Company’s Common Stock or any securities convertible into or exchangeable or exercisable for Common Stock, whether now owned or hereafter acquired by the undersigned or with respect to which the undersigned has or hereafter acquires the power of disposition (collectively, the “**Lock-Up Securities**”), or exercise any right with respect to the registration of any of the Lock-up Securities, or file or cause to be filed any registration statement in connection therewith, under the Securities Act of 1933, as amended, or (ii) enter into any swap or any other agreement or any transaction that transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of the Lock-Up Securities, whether any such swap or transaction is to be settled by delivery of Common Stock or other securities, in cash or otherwise.

Notwithstanding the foregoing, and subject to the conditions below, the undersigned may transfer the Lock-Up Securities without the prior written consent of the Representatives, provided that (1) the Representatives receive a signed lock-up agreement for the balance of the Lock-up Period from each donee, trustee, distributee, or transferee, as the case may be, (2) any such transfer shall not involve a disposition for value, (3) such transfers are not required to be reported by the undersigned with the Securities and Exchange Commission (the “**Commission**”) on Form 4 in accordance with Section 16 of the Securities Exchange Act of 1934, as amended, and (4) the undersigned does not otherwise voluntarily effect any public filing or report regarding such transfers:

- (i) as a *bona fide* gift or gifts; or
- (ii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned (for purposes of this lock-up agreement, “immediate family” shall mean any relationship by blood, marriage or adoption, not more remote than first cousin); or
- (iii) as a distribution to limited partners or stockholders of the undersigned; or
- (iv) any transfer required under any benefit plans or the Company’s amended and restated bylaws; or
- (v) as required by participants in the Company’s 2014 Director Equity Plan in order to reimburse or pay federal income tax and withholding obligations in connection with vesting of restricted stock grants or other equity awards; or
- (vi) as collateral for any loan, provided that the lender agrees in writing to be bound by the restrictions set forth in herein; or
- (vii) to the undersigned’s affiliates or to any investment fund or other entity controlled or managed by the undersigned.

Notwithstanding the restrictions herein, the undersigned may

(a) enter into a written trading plan designed to comply with Rule 10b5-1(c) of the Exchange Act; provided, however, that no transfers may occur under such plan during the Lockup Period and no public announcement or public filing by or on behalf of the undersigned or the Company shall be required or voluntarily made in connection with the establishment of such plan until after the expiration of the Lockup Period, or

(b) transfer shares of Common Stock to a *bona fide* third party pursuant to a tender offer or any other transaction, including, without limitation, a merger, consolidation or other business combination, involving a change of control of the Company (including, without limitation, entering into any lockup, voting or similar agreement pursuant to which the undersigned agrees to transfer, sell, tender or otherwise dispose of shares of Common Stock in connection with any such transaction or vote any shares of Common Stock in favor of any such transaction); provided, that (i) the per share consideration for the shares of Common Stock transferred as described above shall be greater than the initial conversion price of the Notes; (ii) all shares of Common Stock subject to this letter agreement that are not so transferred, sold, tendered or otherwise disposed of remain subject to this letter agreement; and (iii) it shall be a condition of transfer, sale, tender or other disposition that if such tender offer or other transaction is not completed, any shares of Common Stock subject to this letter agreement shall remain subject to the restrictions herein.

Furthermore, the undersigned may sell shares of Common Stock of the Company purchased by the undersigned on the open market during the Lock-up Period if and only if (i) such sales are not required to be reported in any public report or filing with the Commission, or otherwise and (ii) the undersigned does not otherwise voluntarily effect any public filing or report regarding such sales.

The undersigned also agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of the Lock-Up Securities except in compliance with the foregoing restrictions.

This lock-up agreement and any claim, controversy or dispute arising under or related to this lock-up agreement shall be governed by, and construed in accordance with the laws of, the State of New York without regard to its choice of law provisions.

Re: Great Ajax Corp.—
Status as a Real Estate Investment Trust;
Information in Prospectus under Headings
Material U.S. Federal Income Tax Considerations and Additional U.S. Federal Income Tax Considerations

Ladies and Gentlemen:

We have acted as counsel to Great Ajax Corp., a Maryland corporation (the "Company"), in connection with the issuance and sale by the Company of \$15.85 million principal amount of its 7.25% convertible senior notes due 2024 (the "Notes"), pursuant to the terms of an underwriting

agreement, dated November 15, 2018 (the “Underwriting Agreement”), among the Company, Great Ajax Operating Partnership LP, a Delaware limited partnership (the “Operating Partnership”), Thetis Asset Management LLC, a Delaware limited liability company (the “Manager”), and the Underwriters listed on Schedule I thereto (collectively, the “Underwriters”), for whom Raymond James & Associates, Inc. and JMP Securities LLC are acting as the Representatives. Capitalized terms not defined herein shall have the meanings ascribed to them in the Underwriting Agreement.

You have requested our opinion as to certain federal income tax matters regarding the Company. Although you may disclose to any and all persons, without limitation of any kind, the federal tax treatment and federal tax structure of the Company and all materials of any kind that were provided to you by us relating to such tax treatment and tax structure, you may not authorize any other person or entity to rely on this opinion, or otherwise make this opinion available for the benefit of any other person or entity, without our prior written consent.

In our capacity as counsel to the Company and for purposes of rendering this opinion, we have examined and relied upon the following, with your consent: (i) the Registration Statement, the Disclosure Package and the Prospectus (each as defined in the Underwriting Agreement), and (ii) a certificate executed by duly appointed officers of the Company (the “Officer’s Certificate”) setting forth certain factual representations, dated November 19, 2018. We have also relied on the conclusion reached in the private letter ruling, dated February 9, 2016, that the Company received from the Internal Revenue Service. In addition, we have examined and relied upon such other documents as we have considered relevant to our analysis. In our examination of such documents, we have assumed the authenticity of original documents, the accuracy of copies, the genuineness of signatures, and the legal capacity of signatories. We have also assumed that all parties to such documents have acted, and will act, in accordance with the terms of such documents.

Our opinion is based on (a) our understanding of the facts as represented to us in the Officer’s Certificate and (b) the assumption that (i) the Company and its subsidiaries have valid legal existences under the laws of the states in which they were formed and have operated in accordance with the laws of such states, (ii) the Company is operated, and will continue to be operated, in the manner described in the Officer’s Certificate, (iii) the facts contained in the Registration Statement, the Disclosure Package and the Prospectus are true and complete in all material respects, (iv) all representations of fact contained in the Officer’s Certificate are true and complete and (v) any representation of fact in the Officer’s Certificate that is made “to the knowledge of” or similarly qualified is correct without such qualification. While we have made such inquiries and investigations as we have deemed necessary, we have not undertaken an independent inquiry into or verification of all such facts either in the course of our representation of the Company or for the purpose of rendering this opinion. While we have reviewed all representations made to us to determine their reasonableness, and nothing has come to our attention that would cause us to question the accuracy of such representations, there is no assurance that they are or will ultimately prove to be accurate.

We note that the tax consequences addressed herein depend upon the actual occurrence of events in the future, which events may or may not be consistent with any representations made to us for purposes of this opinion. In particular, the qualification and taxation of the Company as a “real estate investment trust” (“REIT”) for federal income tax purposes depends upon the Company’s ability to meet on a continuing basis certain distribution levels, diversity of stock ownership, and the various qualification tests imposed by the Internal Revenue Code of 1986 (as amended, the “Code”). To the extent that the facts differ from those represented to or assumed by us herein, our opinion should not be relied upon.

Our opinion herein is based on existing law as contained in the Code, final and temporary Treasury Regulations promulgated thereunder, administrative pronouncements of the Internal Revenue Service (the “IRS”) and court decisions as of the date hereof. The provisions of the Code and the Treasury Regulations, IRS administrative pronouncements and case law upon which this opinion is based could be changed at any time, perhaps with retroactive effect. In addition, some of the issues under existing law that could significantly affect our opinion have not yet been authoritatively addressed by the IRS or the courts, and our opinion is not binding on the IRS or the courts. Hence, there can be no assurance that the IRS will not challenge, or that the courts will agree with, our conclusions.

Based upon, and subject to, the foregoing and the next paragraphs below, we are of the opinion that, as of the date hereof:

1. Commencing with its taxable year ended December 31, 2014, the Company has been organized and has operated in conformity with the requirements for qualification and taxation as a REIT under the Code, and its current and proposed method of operation will enable it to continue to meet the requirements for qualification and taxation as a REIT for its taxable year ending December 31, 2018 and thereafter.
2. We have reviewed the statements included or incorporated by reference in the Disclosure Package and the Prospectus under the heading “Material U.S. Federal Income Tax Considerations” as modified and supplemented by the statements in the Preliminary Prospectus and Prospectus under the heading “Additional U.S. Federal Income Tax Considerations” and, insofar as such statements pertain to matters of law or legal conclusions, they are correct in all material respects.

This opinion is furnished to you solely for use in connection with the issuance of the Notes pursuant to the Prospectus Supplement. We hereby consent to the filing of this opinion as an exhibit to a Current Report on Form 8-K of the Company to be filed with the Commission on or about November 19, 2017, which will be incorporated by reference in the Registration Statement. We also consent to the reference to our firm name wherever appearing in the Prospectus Supplement. In giving this consent, we do not admit that we come within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder, nor do we thereby admit that we are experts with respect to any part of the Prospectus Supplement within the meaning of the term “experts” as used in the Securities Act or the rules and regulations of the Commission promulgated thereunder. We undertake no obligation to update any opinion expressed herein after the date of this letter. This opinion letter may not be distributed, quoted in whole or in part or relied upon for any purpose by any other person, or otherwise reproduced in any document, or filed with any governmental agency without our express prior written consent.

Very truly yours,

/s/ Mayer Brown LLP
